Perfect Sweaters Limited (PSL)

A Family Venture

100% Export-Oriented Sweater Manufacturing Unit

Dhaka, Bangladesh

ABOUT US

Perfect Sweaters Limited (PSL) is a recognized and reliable name in Bangladesh's sweater manufacturing industry, backed by over 25 years of operational excellence. As a specialized sweater manufacturer, PSL has earned the trust of international buyers through its unwavering commitment to quality, timely delivery, and ethical production standards.

With a projected export milestone of USD 6 million in 2025, PSL continues to demonstrate resilience and growth, adapting to the evolving global market with precision and professionalism. Our organizational structure is built on a three-tier system: a strategic management team driving vision and policy, mid-level coordinators ensuring seamless operations, and a skilled, dedicated workforce that powers our production. Together, these teams ensure that every product leaving our facility meets the highest benchmarks of quality and compliance.

PSL is not just a manufacturer—it is a dependable partner to buyers seeking consistency, reliability, and value. Our streamlined operations, strong governance, and deep understanding of the industry enable us to scale with confidence and deliver results that meet the dynamic needs of global fashion retailers and brands.

OUR VISION

To become one of the most respected and competitive sweater manufacturers in the global apparel market—setting industry standards in quality, ethical manufacturing, and customer trust.

OUR MISSION

To deliver premium-quality sweaters with precision, integrity, and consistency—strengthening our position as a reliable sourcing partner through innovation, operational excellence, and a commitment to long-term client relationships.

LEADERSHIP OF PSL

Chairman & Managing Director – Mr. Shafiq Ahmed

Mr. Shafiq Ahmed is an experienced professional in Bangladesh's sweater manufacturing sector, with over 35 years of industry experience. A graduate of the University of Dhaka with a B.Com (Hons) and M.Com in Accounting, he began his career in the early 1990s and has since built a strong track record across key leadership roles in several major RMG groups, including:

- SQ Group – General Manager
- Pioneer Group – Executive Director
- Hannan Group – Executive Director
- Monayam Sweater Complex Ltd. – Deputy Managing Director
- Mahadeen Group – Executive Director

Since 2016, Mr. Ahmed has been leading Perfect Sweaters Limited as its Chairman and Managing Director. With a deep understanding of global markets and operational excellence, he has been instrumental in shaping PSL into a trusted export partner for international buyers. He has been directly involved with the company for over a decade, guiding its steady growth and strategic positioning.

His extensive global exposure includes working with renowned buyers such as H&M (Sweden), New Yorker (Germany), Zara (Spain), Provera (France), Auchan Textile (France), Textilot SA (France), GP.Zannier (France), EWM (UK), and DMR (Russia).

“Consistency in quality builds lasting partnerships.”

WHO ARE WE

Perfect Sweaters Limited (PSL) is a premier name in the global ready-made garments (RMG) industry, built on a legacy of craftsmanship, consistency, and credibility. With over 500 skilled manufacturing professionals and a dedicated team of 50 plus management and support staff, PSL operates a streamlined, efficient system across its production facilities and corporate headquarters.

Our core divisions—Marketing, Planning, Merchandising, Commercial, Finance, and Administration—are led by industry experienced, combining expertise with operational precision to ensure timely delivery and uncompromising quality. This structured synergy enables PSL to consistently exceed client expectations and meet international standards.

OUR PRODUCTS

At Perfect Sweaters Limited, quality begins at the source. Our exclusive Sourcing Department meticulously procures premium-grade yarns and raw materials from trusted global and local partners, ensuring both consistency and excellence throughout the production process.

We work with an extensive range of fibers, including:

- Natural fibers: Cotton, Acrylic (our most frequently used), Cashmere and Wool.
- Synthetic and blended fibers: Rayon, Viscose, Polyester, Nylon, and other specialized blends.

All yarns, trims, and accessories meet stringent international compliance and quality benchmarks, customized to suit both regional feasibility and client preferences.

Value-Added Design & Finishing

Our product line reflects versatility and innovation, offering contemporary styles and intricate finishing techniques such as:

- Embroidery
- Printing
- Flat-lock stitching
- Pressed snaps
- Sewn-on elbow patches
- Zipper tubulars in woven fabric

These allow us to create dynamic, fashion-forward garments that appeal to diverse markets.

Sampling & Product Development

The Sampling & Design Department serves as the creative heart of PSL. A team of 25 dedicated professionals works closely with buyers to translate concepts into reality—whether through custom specifications or inspiration drawn from international yarn expos and emerging fashion trends. With rapid sample turnaround times, we ensure a smooth path from design to production-ready apparel.

QUALITY ASSURANCE

Our independent Quality Assurance Team ensures rigorous oversight throughout every stage of the production line. Operating autonomously and reporting directly to senior management, this team conducts final inspections based on Acceptable Quality Level (AQL) standards before customer audits or third-party quality checks. Our commitment to quality is unwavering—ensuring each garment reflects our promise of excellence.

PRODUCTION CAPACITY

PSL maintains a robust production capacity ranging from 100,000 to 130,000 pieces per month, subject to style variations.

Gauge-wise Machine Distribution:

S/N	Gauges	No. of machines	Capacity (units/month)
1	12	130*	80,000
